EX005/2020 To discuss and agreed funding for a professional response to Bloor Homes in light of the meeting with Bloor

It was discussed that the companies who had been approached to provide a response, one would only be able to fulfil on the design guide of the site rather than responding to National Policy Planning Framework which it was felt would be the essential technical legal arguments. During the discussion Cllr Dobson declared an interest in one of the companies as she had instructed the company in a personal capacity to write an objection on their behalf. It was proposed by Cllr Newton that a funding limit of £2100 be set towards the funding of external planning guidance in reference to the Bloor Homes 162 houses development. **Resolved** to accept the proposal. Unanimously voted to accept the proposal.

Cllr Blackburn arrived at 19.28
