Cllr Lees reported he had had a great deal of contact with members of the Feering Village Facebook page who were very concerned about not having a play area. Therefore it was agreed that the best way to get a quality and functional play area was to have it removed and then to apply for grants to purchase a new multi-play area. After discussion it was agreed that the MK quote was the best value for money as it not only removed the present structures but also made good with turf. Meeting felt it was essential that our requirements were laid out specifically so a request to Martique to write to MK clarifying our needs to ensure no confusion over what is to be removed and made good. **AGREED**  
Proposed Cllr Lees seconded Cllr Evans.
